DR. SUMEET MJ

Dear Beloved Shofarite,

Faith changes the trajectory of life. It alters how we perceive things, bringing about a paradigm shift in our perspectives. As we constantly feed our minds with "Faith-Inspiring Bible Verses," we begin to observe a gradual increase in our faith, preparing us to receive miracles.

The key to operating in the supernatural gifts and abilities of God is faith. Faith does many things within us: it lifts us up, revives us, cleanses our soul, brings hope, and challenges us to believe in the future and in good things. The faith the Bible speaks about is not the natural faith with which the world operates—it is the "faith of God," the same faith with which God Himself created the world. Faith, therefore, develops in us God-like abilities.

I have practically lived a life of faith and dependency upon God for nearly two decades, and I can confidently assure you that all of us must focus on building our spiritual faith in order to truly grow spiritually.

In His grace,

Dr. Sumeet MJ
